

AAPM Conference 2026

Programme Schedule - Day 1 | October 15, 2026

9:00 AM	Registration & Welcome Kit Collection Attendees check in and receive the AAPM Symposium Guidebook.	Reception Hall
10:00 AM	Inaugural Ceremony & Keynote: Future of Molecular Diagnostics Dr. Rajesh Patel explores deep learning and next-generation sequencing.	Auditorium A
11:30 AM	Panel Discussion: AI in Diagnostic Pathology Dr. Anita Shah moderates a dialogue on clinical validation and error margins.	Auditorium A
1:00 PM	Networking Lunch Meet and exchange ideas with regional practitioners.	Banquet Hall
2:30 PM	Workshop: Next-Gen Sequencing Techniques Dr. Meera Kapoor guides practical sequencer calibration workflows.	Lab Block B

AAPM Conference 2026

Programme Schedule - Day 2 | October 16, 2026

9:00 AM	Molecular Diagnostics: Clinical Applications Current methods and examples from diagnostic laboratories.	Auditorium A
10:30 AM	Precision Medicine Research Presentations Research updates from invited clinical and scientific speakers.	Auditorium A
12:30 PM	Networking Lunch Meet colleagues and exhibitors.	Banquet Hall
2:00 PM	Workshop: Pathology Data Interpretation Hands-on interpretation and discussion with faculty.	Lab Block B

AAPM Conference 2026

Programme Schedule - Day 3 | October 17, 2026

9:00 AM	Advances in Laboratory Automation Practical approaches to quality and throughput.	Auditorium A
10:30 AM	Scientific Poster Session Presentations and discussion with researchers.	Exhibition Hall
12:30 PM	Networking Lunch Final opportunity to meet symposium participants.	Banquet Hall
2:00 PM	Closing Plenary and CME Awards Symposium highlights, acknowledgements and certificates.	Auditorium A
